

Mobil Agri Super 15W-40

Super Tractor Oil Universal (STOU) Lubricant

Product Description

Mobil Agri Super 15W-40 is a high performance, multi-functional lubricants for most farm equipment application. This STOU lubricant provides good performance in diesel and gasoline engines, transmissions, hydraulics, final drives, and oil-immersed brakes operating in agricultural service. Mobil Agri Super is recommended for use in a wide range of heavy-duty applications and operating environments found in the farming industry.

Features and Benefits

Agricultural enterprises employ a wide variety of equipment requiring multi-functional lubrication performance. The engineering in Mobil Agri Super 15W-40 meets the diverse lubrication requirements of this equipment which reduces the number of lubricants required and the possibility of misapplication. The key benefits include:

Features	Advantages and Potential Benefits
Good thermal and oxidation stability	Reduced sludge build-up and high temperature deposits
TBN reserves	Improved deposit control
Good rust and corrosion protection	Reduced wear and long equipment life especially in hydraulic components
Effective detergency/dispersancy	Cleaner engines and long engine life
High temperature viscosity retention and volatility control	Reduced engine scuffing, bore polishing, and oil consumption
Unique frictional and load carrying properties	Increased power, improved power train performance, and elimination of chatter in wet brakes
Low temperature pumpability and performance	Easier engine start-up, reduced wear in critical valve train, and good hydraulic response
Component compatibility	Longer gasket and seal life
Multipurpose product	Reduces inventory and chance for misapplication

Applications

- Mixed diesel and gasoline-powered farm vehicles and equipment
- Farm equipment transmissions and power systems requiring multifunctional fluid

Specifications and Approvals

Mobil Agri Super Multigrades has the following builder approvals: **15W-40**
